

Seminarankündigung

Freitag, 13. Mai 2011

12:00 Uhr

ZNN, Seminarraum 0.001

**“Exploring semiconductor functionality
at extreme length scales: Macroscopic
thermal spintronics and 3D nanowire
heterostructures”**

Prof. Roberto C. Myers

**Dept. of Materials Science and Engineering,
Dept. of Electrical and Computer Engineering,
The Ohio State University, USA**
